### **Forward Looking Statements**

This Specialized Disclosure Report on Form SD and any exhibits to this Form SD may contain "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. These statements may be made by the use of forward-looking words or phrases such as "believe", "expect", "anticipate", "intend", "depend", "estimate", "predict", "target", "should", "could", "may", "subject to", "continues", "growing", "project", "forecast", "projected", "purport", "might", "if", "contemplate", "potential", "pending", "target", "goals", "will", "will likely be", and similar words and phrases. Such forward-looking statements are based on current expectations and involve numerous assumptions, known and unknown risks, uncertainties and other factors that may cause actual and future performance or the Company's achievements to be materially different from any performance, or achievements expressed or implied by such forward-looking statements. Such factors include, but are not limited to: business conditions, geopolitical conditions (including the wars in Ukraine and the Middle East), and changes in trade

tensions with China) and changes in general economic conditions in particular industries, markets or regions, and ongoing softness in the residential markets of Electrical Solutions, as well as the potential for an economic slowdown, continued inflation, stagflation or recession, higher interest rates, and higher energy costs. We may not be able to offset increases in material and non-material costs through price recovery and volume growth. We may be unable to hedge unfavorable foreign currency exchange rates and the potential use of hedging instruments to hedge the impact of fluctuating rates of foreign currency exchange on inventory purchases; the outcome of contingencies or litigation; the amount of amounts provided for such contingencies, including those with respect to pension withdrawal liability; the ability to meet sales levels to meet revenue expectations; unexpected costs or charges, certain of which may be outside our control; the effects of trade tariffs, import quotas and other trade restrictions or actions taken by the United States, the United Kingdom, and other countries, including changes in U.S. trade policies; failure to achieve projected operating efficiencies, cost savings and cost reduction measures, including those expected as a result of our lean manufacturing initiatives, strategic sourcing plans, regulatory issues, changes in tax laws including multijurisdictional implementation of the Organisation for Economic Co-operation and Development's comprehensive base erosion and profit shifting rules, changes in geographic profit mix affecting tax rates and availability of tax incentives; the impact of and our ability to manage and integrate acquired businesses, including the recent acquisitions of EI Electronics LLC, Eletromecânica Balestro Ltda. and Northern Star Holdings, Inc. (the Systems Control business), as well as our ability to realize expected synergies and benefits anticipated when we make an acquisition due to potential adverse effects of changes to business or employee relationships resulting from completion of the transaction, competitive responses to the transaction, the possibility that the anticipated benefits of the transaction are not realized when expected, including as a result of the impact of, or problems arising from, the integration of the acquired businesses into our operations, management's attention from ongoing business operations and opportunities, and litigation relating to the transaction, the impact of certain divestitures, including the benefits and costs of the sale of the residential lighting business, our ability to effectively develop and introduce new products, expand into new markets and deploy capital resources. These factors described in our Securities and Exchange Commission filings, including the "Business", "Risk Factors", "Management's Discussion and Analysis of Financial Condition and Results of Operations", "Forward-Looking Statements" and "Quantitative and Qualitative Disclosures about Market Risk" sections in the Annual Report on Form 10-K for the year ended December 31, 2023 and Quarterly Reports on Form 10-Q. These forward-looking statements speak only as of the date of this Form SD or as of the date to which they refer, and Hubbell assumes no obligation to update any forward-looking statements as a result of new information or future events or developments, except as required by law.
