Item 2.02 Results of Operations and Financial Condition

As previously announced in June 2024, for periods beginning on or after April 1, 2024, Honeywell International Inc. (the "Company") began excluding the impact of amortization expense for acquisition-related intangible assets and certain acquisition-related costs, including the related tax effects, from segment profit and adjusted earnings per share. For informational purposes only, set forth in Exhibit 99 to this Current Report on Form 8-K, the Company is furnishing certain unaudited supplemental historical non-GAAP financial metrics under this new basis to facilitate comparability with its expected ongoing investor reporting.

Additionally, in April 2024, the Company realigned certain business units within the Industrial Automation reportable business segment. The gas detection business has moved from the Sensing and Safety Technologies business unit to the Process Solutions business unit to align with the process measurement controls business. The Company is furnishing certain unaudited supplemental historical period information in Exhibit 99 to reflect this realignment.

The unaudited supplemental net sales for the Industrial Automation reportable business segment and historical non-GAAP financial metrics contained in Exhibit 99 do not represent a restatement or reissuance of previously issued financial statements.

The information furnished pursuant to this Item 2.02, including Exhibit 99 in Item 9.01, shall not be deemed "filed" for purposes on Section 18 of the Securities and Exchange Act of 1934, as amended (the "Exchange Act") or otherwise subject to the liabilities of that Section, and shall not be deemed incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

Item 7.01 Regulation FD Disclosure

The supplemental financial information included in Exhibit 99 is being furnished pursuant to Item 7.01 and shall not be deemed "filed" for the purposes of Section 18 of the Exchange Act, or otherwise subject to the liabilities of that section, and shall not be deemed incorporated by reference into any filing made under the Securities Act or the Exchange Act, except as otherwise expressly stated in such filing.
