Item 2.02. Results of Operations and Financial Condition.

Assurant, Inc. (the “Company”) announced today that it expects its Global Housing segment to record approximately \$46 million pre-tax, or \$36 million after-tax, of reportable catastrophes for second quarter 2024, with no single event expected to exceed \$15 million in pre-tax losses. Reportable catastrophe losses were driven by five reportable events in the quarter, primarily within lender-placed products from severe convective storm events across the Southwest, Midwest and Southeast.

The Company’s reportable catastrophes include individual catastrophic events that generate losses in excess of \$5 million, pre-tax, net of reinsurance and client profit sharing adjustments and including reinstatement and other premiums.

The Company will report second quarter 2024 results on August 6, 2024.

The information being furnished pursuant to this Item 2.02 shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, and shall not be deemed to be incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act, except as may be expressly set forth by specific reference in any such filing.
