Section 1 - Conflict Minerals Disclosure

Item 1.01 Conflict Minerals Disclosure and Report

Church & Dwight Co., Inc. (the “Company”) has determined that certain “conflict minerals” (as defined in Section 1502(e)(4) of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010) are necessary for the functionality and/or production of certain products manufactured or contracted to be manufactured by the Company in 2023 (the “Covered Products”). Consequently, the Company conducted in good faith a reasonable country of origin inquiry regarding such necessary conflict minerals, reasonably designed to determine whether any of such conflict minerals originated in the Democratic Republic of the Congo or an adjoining country (collectively, the “Covered Countries”), or were from recycled or scrap sources. Based on its reasonable country of origin inquiry, the Company has determined that certain of the conflict minerals used in the Covered Products may have originated in the Covered Countries. Accordingly, as required by applicable rules, the Company also performed due diligence on the source and chain of custody of such conflict minerals as described more fully in the Conflict Minerals Report, which is filed herewith as Exhibit 1.01.

The Company is filing this Specialized Disclosure Report (Form SD), including the Conflict Minerals Report, as Exhibit 1.01 hereto, for the calendar year ended December 31, 2023 to comply with Rule 13p-1 of the Securities Exchange Act of 1934, as amended.
